DETAILED OFFICE ACTION

Allowable Subject Matter

Claims 1-37 are allowed.

Reason for Allowability

The following is an examiner's statement of reasons for allowance:

The Examiner concurs with the applicant that it is improper to reject the claims of the present application on grounds of obviousness-type double patenting over Claims 1-8 of the parent application, now U.S. Patent No. 6,034,460 in view of Claims 3-7 of U.S. Patent No. 6,734,592 that is another parent application of the pending application because U.S. Patent No. 6,734,592 is not constitute prior art. Thus, the previous double patenting rejections set forth in the previous Office Action are hereby withdrawn and the application is in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
